JOB FAMILY AND FUNCTION

Job Family:	Veterinary & Animal Care
Job Function:	Patient Care & Rehabilitation

JOB SUMMARY

Performs and oversees rehabilitation services provided to canine patients of the Auburn University College of Veterinary Medicine.

RESPONSIBILITIES

- Formulates and executes patient treatment plans, including ongoing reevaluation of care and communication of discharge plans with caretakers.
- Performs, instructs, and demonstrates canine rehabilitation procedures and techniques.
- Consults with veterinarians regarding rehabilitation treatment plans for patients.
- Operates and maintains equipment and facilities used in the rehabilitation of patients.
- Performs documentation and charting for patients receiving rehabilitation treatment.
- May perform medical examinations, laboratory testing, or administer medications to patients.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---

MINIMUM QUALIFICATIONS

To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role. For education and experience, minimum requirements are listed on the top row below.
