Auburn University Job Description

Job Title: DCSITE Task Manager
Job Code: ID15
FLSA status: Exempt

Job Summary
Reporting to the Canine Performance Sciences Program (CPSP) Co-Director, the Task Manager manages a diverse research and development team of approximately 30 individuals across Auburn University and multiple external partnering institutions, focusing capabilities on mission driven national security initiatives consistent with the mission of the Detection Canine Science, Technology and Education (DCSITE) program. Collaborates with DCSITE Co-PIs in facilitating program operations and reports to and conveys programmatic guidance from the DCSITE Coordinator and PI.

Essential Functions

1. Manages DCSITE initiatives related to training aid development, odor training, canine welfare and service life, canine evaluation and selection, and domestic production of next-generation detector dogs.
2. Ensures that assigned projects meet quality, budget, and timeline objectives, including identification and realization of project milestones, development of key deliverables, risk assessment, and problem solving.
3. Coordinates team meetings, purchasing, and development of reports.
4. Develops operational protocols as necessary to ensure regulatory compliance requirements are met.
5. Documents task-related progress as required to meet reporting requirements.
6. Performs other related duties as assigned.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
