JOB FAMILY AND FUNCTION

Job Family:	Academic Services & Administration
Job Function:	Academic Programs

JOB SUMMARY

Manages and supports the academic and research-related programs and services of the College of Agriculture (COAG).

RESPONSIBILITIES

- Builds international partnerships by identifying potential patterns, developing shared vision and goals, establishing clear communication channels, forming partnership agreements, and implementing and monitoring the ongoing partnership.
- Through supervision, oversees and facilitates COAG's international initiation process to include international agreements, contracts, grants, laws and regulations including immigration, travel, and tax.
- Advises on international policies and processes such as Visa/Passport and immigration support.
- Develops and oversees the budget for academic programs by calculating, reviewing, and verifying data for consistency with financial objectives and endowment requirements.
- Coordinates with the Business Office and leadership to determine the accessibility and usage of endowments that support international agricultural activities by forecasting future financial needs and communicating budget information promptly and effectively.
- Manages Graduate Programs by organizing/engaging in graduate student recruitment, by facilitating various graduate students award programs, by supporting Graduate Program Officers (GPOs), department heads and graduate students, and by serving as a staff liaison between the Graduate School and the College.
- Manages projects and non-formula grants by managing user accounts and providing user support, by monitoring data quality for completeness and accuracy, by providing training, and by ensuring compliance and deadlines.
- Manages other research-related programs by working with leadership to identify demands and by planning and designing programs/activities.
- Determines public awareness/marketing needs and helps manage, coordinate, prepare, review, and edit an assortment of communications through various media outlets.
- Remains current with industry trends and best practices in academic program development.
- Provides the essential day-to-day management to ensure that contractual obligations are met and that programmatic aspects critical to the success of the program(s) are implemented.
- Performs other duties as assigned.
