Auburn University Job Description

Job Title: VP, Chief Information Officer
Job Code: MA17
FLSA status: Exempt

Job Summary

Reporting to the University President, provides strategic leadership, oversight, and management for all aspects of information systems to include, but not limited to, Information Technology (IT) governance, strategic planning and direction, development of policies, ensuring compliance requirements are met, asset management, analysis and evaluation of utilization and data sharing, and research, new initiatives, procurement and access control.

Essential Functions

1. Provides oversight and direction to all IT organizations within Auburn University to ensure university-wide mandated policies and procedures are appropriately and effectively implemented.
2. Analyzes business needs presented by the user community and clients, and recommends technical solutions.
3. Develops and enforces IT policies and procedures.
4. Develops business case justifications and cost/benefit analyses for Auburn University IT spending and initiatives.
5. Coordinates, authorizes, and oversees the research, deployment, monitoring, maintenance, development, and support of university technology solutions based on the institution-wide strategy.
6. Oversees negotiations and administration of all vendor, consultant, and service contracts related to IT.
7. Oversees the security of university information systems.
8. Evaluates the effectiveness and efficiency of IT-related staffing and installed applications across the enterprise.
9. Maintains awareness of changing IT trends and regulations which might impact the university and take action as required.

Supervisory Responsibility

May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
