JOB FAMILY AND FUNCTION

Job Family:	Information Technology
Job Function:	IT User Support

JOB SUMMARY

Under close supervision, provides telecommunications consultative and technical support services to campus constituents to ensure timely service activation, problem resolution, and optimal system/service performance. Provides support for desktop telephones and soft clients running on desktop computers, cellular telephones and fixed-mobile telephony applications running on cellular telephones, and enterprise voice messaging services. Includes installing and configuring telephone devices and cellular smartphones, telephony soft clients on desktop computers and smartphones, and voice mail services. Provides consulting on routine telecommunications solutions.

RESPONSIBILITIES

- Provides high-quality customer service through courteous and professional communication with guidance from more senior team members. Builds and maintains effective relationships with consistent follow-up and documentation.
- Provisions telephone services, including voice messaging and cellular voice/data services, using proprietary systems software and vendor portals. Provides technical support to constituents to resolve first-tier common telephone service and communication issues in an efficient and timely manner. Accurately documents request history and routes more complex second- and third-tier issues and requests to the appropriate technical personnel.
- Provides timely resolution of problem or escalation on behalf of the client.
- Provides basic consultation, support, and instruction for clients.
- Updates telemanagement system and E911 databases reflecting telephone service changes.
- Assists senior employees with the implementation of standard operating procedures and customer service guidelines.
- May assist senior employees with the provisioning of new services and equipment, or the rollout of new client/system software and features.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
