
Auburn University Job Description

Job Title:	Assoc I, Greenhouse	Job Family:	No Family
Job Code:	NA33	Grade 30:	\$28,000 - \$46,700
FLSA status:	Non-exempt		

Job Summary

Under close supervision, assists in the installation, transplanting, and maintenance of greenhouse materials as well as flowerbeds, gardens, and pots throughout campus.

Essential Functions

1. Installs and maintains plant material in flowerbeds, gardens, and pots across campus to include basic operations such as planting, watering, fertilizing, deadheading flowers, and replacing damaged/dead plants.
2. Prepares job sites for installation and assists in the transferring of plants to the designated location on campus.
3. Assists in inspecting, cultivating, and maintaining greenhouse and nursery stock and equipment to ensure that all plant materials are kept in healthy condition and are ready for transplanting at the appropriate time.
4. Assists in greenhouse growing, potting, and re-potting operations.
5. Operates equipment (tiller, auger, hand tools, etc.) to load and unload plant material and perform various landscape-related tasks.
6. May communicate with others to keep them aware of work progress and answer questions.
7. May be responsible for meeting and maintaining training and certification requirements as outlined by the applicable department's training and credentialing requirements.
8. May perform other related landscape duties as assigned.

Supervisory Responsibility

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
