## Auburn University Job Description

Job Title: **Lineworker I, Electr Distrib**

Job Family: No Family

Job Code: **NB96**

Grade ST13 \$40,400 - \$64,600

FLSA status: Non-exempt

---

### Job Summary

Under direct supervision, assists in routine tasks related to the operation, maintenance, modification, protection, and surveillance of the primary electrical distribution system (substations, distribution infrastructure, transformers, switches and relays, protection devices, metering, monitoring, and controls).

### Essential Functions

1. Assists with the routine installation, maintenance, operation, and repair of electrical distribution system equipment. Performs work in a safe, efficient manner and in compliance with established policies, procedures, and guidelines.
2. Assists with responding to and resolving unplanned electrical system outages. Performs tasks and restores power in a safe and timely manner to minimize campus disruptions.
3. Installs, maintains, and validates electrical metering devices to ensure proper data collection for energy management, electrical engineering designs, and the accurate billing of utility charges.
4. Assists with conducting written switching orders. Assists management and design engineers in maintaining accurate and complete design configuration documents, design standard documents, and system performance records.
5. Installs, maintains, and repairs lighting on university streets, parking lots, and fields to promote a safer environment on Auburn University's campus.
6. Monitors status of distribution system using data from the Supervisory Control and Data Acquisition (SCADA) and other electronic systems. Identifies problems and reports to supervision.
7. Assists with the installation, maintenance, troubleshooting, and repair of university traffic signal equipment. May assist in coordinating efforts to ensure the proper flow of traffic while systems are under repair.
8. Responsible for meeting and maintaining training and certification requirements as outlined by the department's training and credentialing requirements.
9. Performs other related duties as assigned.

### Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

*The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.*
