JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Facilities Services

JOB SUMMARY

Reporting to the Student Center Director, this position oversees project management plans within the Student Center, provides leadership to designated employees, as well as manages the daily operations of a facility or multiple facilities to include assigning work, managing vendors, monitoring building conditions, and verifying work orders.

RESPONSIBILITIES

- Oversees and manages the daily operations for multiple buildings, facilities, and venues, as well as directs multiple services across multiple locations which include, but are not limited to, custodial services, conference and meeting services, audio visual services, maintenance projects and building renovation projects.
- Oversees and monitors building conditions, identifies maintenance issues, and assigns staff to respond to work order requests in order to resolve such issues.
- Coordinates the development and implementation of emergency plans with AU Campus Safety and Security.
- Recruits, hires, leads, directs, develops, trains, and supervises a team of approximately 20 personnel supporting the facilities operations needs for both the AU Student Center Department and Student Activities Center, to include assigning duties, validating work progress and outcomes, and conducting performance reviews.
- Reviews, analyzes, and manages inventory throughout the Student Center, AU Chapel, Student Activities Center, and other facilities. Maintains building card access and key distribution.
- Oversees the coordination of event set-ups, audio/visual needs, and other technology for multiple venues. Ensures high service quality, customer satisfaction, and stays abreast of relevant technology advancements that may enhance such quality and satisfaction.
- Oversees the monitoring and analysis of departmental expenditures for the Student Center, Student Activities Center, and AU Chapel. Participates in the development of the departmental budget as it pertains to project financial projections and upgrades.
- Plans and develops short- and long-term departmental goals and projects, including coordinating with outside vendors and project managers.
- May perform other duties as assigned by supervisor.
