Job Function:	Project Support & Data Management

**JOB SUMMARY**

Coordinates the planning, scheduling, and execution of campus moves (of personnel and/or furnishings and/or equipment) via contract movers and "in-house" service support movers.

**RESPONSIBILITIES**

- Oversees all phases of a move to include coordinating and arranging move meetings with contract movers and departments to determine move criteria and develop a move schedule.
- Serves as liaison between the client and Facilities personnel and contract mover.
- Confers with project manager to determine extent and type of move required and determines cost and level of assistance required by end user.
- Works with external and Facilities personnel to resolve problems and meet the needs of the client by providing solutions for moves and other related issues.
- Provides assistance in other areas related to relocation such as coordinating the purging of furnishings from areas so that renovations may occur.
- Coordinates, itemizes, and allocates furnishings for re-use or surplus by the University, provides inventory information to Property Services or Surplus Property, and advises all departments on University guidelines on allocation of furnishings.
- Develops and implements move guidelines and evaluates the performance of University contract movers.
- Collaborates with Interior Design Department to identify furnishings in their current locations and provides layouts for furnishings in their proposed new locations.
- Works with move contractors to store or retrieve University property from storage.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.
