Auburn University Job Description

Job Title: Asst Dir, Maintenance
Job Code: NC76
FLSA status: Exempt
Job Family: Facilities, Maintenance, & Operations
Job Function: Facilities Services

Job Summary
Assists in the direction, management, and execution of maintenance projects across campus, and in the long-range maintenance planning process.

Essential Functions
1. Assists in managing all deferred maintenance and major alteration projects; ensures all projects are meeting established milestones to completion.
2. Oversees and manages the planning and execution of preventative maintenance programs.
3. Leads improvement teams to identify and correct problems that may prevent project completion.
4. Coordinates with the Utilities division to ensure preventative maintenance and energy reduction strategies and practices of both departments are compatible.
5. Directs and leads the long-range maintenance efforts of the Maintenance department.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
