JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Utilities

JOB SUMMARY

Oversees and collects Auburn University utilities and energy use data and provides information, analysis, studies, and recommendations

RESPONSIBILITIES

- Prepares and presents complex technical, analytical, and statistical reports that present and interpret data, identify alternatives, present and justify conclusions, forecasts, and recommendations.
- Develops data models based on objectives and goals from energy management initiatives which provide aligned achievement indicators and identify gaps and trend improvement.
- Identifies, develops, and maintains metrics for routine metric reports with analysis and monitoring effectiveness of initiatives for energy reduction and performance improvement for the utilities and energy.
- Assists in conducting analytical studies to support planning and performance evaluations for university utility infrastructure.
- Develops data models that forecast utility system demands based on actual and conceptual campus building plans.
- Provides overviews of campus utility use trends and improvement plans to internal and external audiences.
- Serves as a lead for Utilities and Energy in the development of strategic plans.
- Creates and maintains an energy database that supports accurate, timely, and complete client billing.
- Ensures that energy meters are read and recorded, energy payments to providers are accurate, and customer issues and questions concerning the accuracy of client bills are resolved.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
