JOB FAMILY AND FUNCTION

Job Family: Facilities, Maintenance, & Operations

Job Function: Facilities Services

JOB SUMMARY

Supervises and leads the maintenance efforts of one of four campus Facilities Maintenance Zones, serving one-quarter of Auburn University's Colleges and Schools, administrative units, as well as Athletics and Auxiliary units. Reporting to the Manager, Facilities Zone Maintenance, responsible for supervising and leading a maintenance workforce consisting of skilled trades personnel assigned to the zone. Responsible for executing maintenance work orders to correct and repair building deficiencies and problems as required to keep campus facilities operational in support of the University's academic, research, and outreach mission.

RESPONSIBILITIES

- Ensures all work performed by University tradespersons and contractors involved meet University standards and contract requirements. Communicates with subordinate staff to ensure policies and procedures are understood and maintained. Ensures that work is completed in a safe, timely manner and in compliance with the appropriate regulatory agencies.
- Meets with clients on a regular basis to understand their facility needs ensuring support can be provided.
- Ensures quality and timely responsiveness of assigned maintenance activities, including after-hours response to emergency calls.
- Provides leadership and supervision of multi-trade corrective maintenance technicians for the effective and efficient completion of all corrective and some preventative maintenance work requirements within assigned facilities. Corrective maintenance may include maintenance projects.
- Oversees work assignments to meet organizational goals and client deadlines in support of University, Facilities Management and Maintenance department guidelines and mission.
- Directly supervises assigned staff and participates in recruitment of staff positions including reviewing resumes, participating in interviews, and conducting performance review evaluations. Assists in resolving employee relations issues.
- Ensures timely and accurate data is maintained in the work management system to provide proper reporting for clients and senior leadership within Facilities and the University. Investigates and responds to clients queries, complaints and other issues to meet and satisfy client needs. Track status of work accomplishments, analyzes data, prepares reports, and recommendations in support of increasingly higher levels of performance and productivity.
- Coordinates among Maintenance Departments zones and shops, other Facilities Management Departments, outside contractors, and Auburn University customers and visitors ensuring that maintenance activities are coordinated and communicated. Communicates with stakeholders to maintain awareness of activities, maximize efficiencies, answer questions, and resolve issues.

RESPONSIBILITIES

- Maintains records and documentation of work activities, supplies, and equipment. Assists in the development
 of procedures and operating instructions for safe, accurate and quality work performance and updates on
 project status.
- Responsible for budget coordination for the zone. Maintains communication with Manager, Facility Zone Maintenance regarding issues or matters of importance.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
