Auburn University Job Description

Job Title: Mgr, Media Production
Job Code: OC33
FLSA status: Exempt

Job Summary
Manages and oversees the technical aspects of various media productions and information and technology services in support of faculty and/or University outreach efforts.

Essential Functions

1. Provides guidance in the identification, evaluation, recommendation, design, development and deployment of film, broadcast and instruction technologies.
2. Collaborates with others on necessary technologies to create instructional or outreach media projects.
3. Maintains the studio physical plant to national broadcast standards by staying up-to-date on complex media techniques, equipment and processes.
4. Serves as a consultant on issues related to media production support including (but not limited to) broadcast and internet and digital multimedia.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
