### JOB FAMILY AND FUNCTION

Job Family:	Marketing, Communications, & Multimedia
Job Function:	Communications Strategy

### JOB SUMMARY

The Chief Communications Officer provides executive leadership for marketing and communication plans University-wide and manages external and internal communications and ensure quality, consistency, and integration of communications and marketing across all colleges and business units. Promotes a differentiated brand through carefully constructed campaigns, and increase audience and community engagement. Serves as an advisor to the university president and is on the leadership team, with the authorities necessary to develop and carry out a strategic communications agenda that advances the university's status and aspirations, both internally and externally.

### RESPONSIBILITIES

- Develops leadership vision and provides strategic direction to Advancement and University leadership regarding communications strategy, public relations, broad-based engagement, enrollment management and brand and fundraising campaign marketing, trends, tools, and experiential activations. Leads, develops, and sustains University-wide brand cohesion and comprehensive and integrated marketing and communications strategies, structures, and protocols.
- Provides executive leadership and strategic oversight for marketing and communications with responsibility for internal and external communications and the integration of messages across Auburn University's campus, affiliates, and partners. Identifies and develops key messages, copy points, and publicity opportunities, and ensures consistency of messages across media, events, programs, and platforms. Aligns university resources and communications strategies supporting and achieving leadership's strategic objectives at the international, national, state, and local levels.
- Leads the brand strategy and management and executes the annual marketing and communications plan.
- Leads reviews of communications and marketing to underserved populations to assess current practices, evaluate gaps, and develops plans for driving more effective communications aligned with the university vision.
- Advances the University's public values and aspirations by partnering with leadership and across the institution, as well as external stakeholders, to grow and protect the University's reputation, build equitable communities, and develop and grow resources for the University.
- Serves as a key role in strategic and budgetary decisions, shaping and driving progress toward Advancement priorities and goals in alignment with the University and its vision and aspirations.
- Provides communications and marketing leaders early warnings about potential problems and challenges, serves as a main point of contact to the president, supports crisis planning and communications, and provides routine, day-to-day communications support for the president's office.

## RESPONSIBILITIES

- Supervises the Communications and Marketing staff which includes monitoring performance plans, assigning project assignments and performance reviews.
- Performs other duties as assigned.

## SUPERVISORY RESPONSIBILITIES
