VI. Recess Meeting
As President Pro Tempore of the Board of Trustees of Auburn University, Mr. Bob Dumas convened a board meeting on Friday, September 16, 2022 at 9:30 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

President Pro Tempore Dumas then called upon Board Secretary Jon Waggoner to call the roll. The following voting board members were deemed to be in attendance:

Ms. Caroline M. Aderholt; Mr. Michael A. DeMaioribus; Mr. Robert W. Dumas; Mr. Raymond J. Harbert; Ms. Elizabeth H. Huntley; Mr. James R. Pratt, III; Mr. James W. Rane; Mr. Quentin P. Riggins; Mr. B.T. Roberts; Mr. M. Clark Sahlie; Mr. James H. Sanford; Mr. Wayne T. Smith; Mr. Zeke W. Smith; and Mr. Timothy Vines.

Governor Kay Ivey, President of the Board, was absent from the meeting.

The individuals listed above represent all persons recognized as voting board members at the time of the meeting.

President Pro Tempore Dumas announced that three new advisory board members were in attendance for the first time in their official capacities, as follows: Dr. Daniel Svyantek, Faculty Advisor to the Board of Trustees from the Auburn University campus; Ms. Samantha McNeilly, Faculty Advisor to the Board of Trustees from the Auburn University at Montgomery campus; and Ms. Aaliyah Muhammad, President of the Auburn University at Montgomery Student Government Association.

President Pro Tempore Dumas then welcomed the final advisory board member, Mr. Jake Haston, President of the Auburn University Student Government Association.

Also sitting with the Board were the following persons: Dr. Christopher B. Roberts, Auburn University President; and Mr. Jon G. Waggoner, Secretary to the Board of Trustees.

Dr. Todd Steury, the incoming Faculty Advisor to the Board of Trustees from the Auburn University Campus, and Ms. Samantha McNeilly, the incoming Faculty Advisor to the Board of Trustees from the Auburn University at Montgomery campus, joined the Board at the table for the reconvened meeting.

The following persons were also in attendance at the meeting: Gen. Ronald Burgess, Executive Vice President; Dr. Vini Nathan, Interim Provost and Vice President for Academic Affairs; Ms. Kelli Shomaker, Vice President for Business & Finance and Chief Financial Officer; Dr. Bobby Woodard, Senior Vice President for Student Affairs; Ms. Jaime Hammer, General Counsel; Mr. Daniel King, Associate Vice President for Facilities; Dr. Carl Stockton, Chancellor of AUM; Mr. Mark Stirling; Director of Auburn University Real Estate; Ms. Gretchen VanValkenburg, Vice President of Engagement and Executive Director of the Auburn Alumni Association; Dr. Joffrey Gaymon, Vice President for Enrollment; Dr. Jared White, Executive Director of Governmental Affairs; Mr. Jim O’Connor, Vice President for Information Technology and Chief Information Officer; and Dr. Jennifer Adams, Executive Director of Public Relations.
President Pro Tempore Dumas welcomed the following persons that serve Auburn University and AUM in various capacities: Dr. Mark Carpenter, Academic Affairs Faculty Representative; Dr. Robert Norton, Agriculture and Natural Resources Committee Faculty Representative; Dr. Kim Brackett, AUM Faculty Senate President; Dr. Elizabeth Davis-Sramek, Finance Committee Faculty Representative; Dr. Scott Lane, Finance Committee Faculty Representative; Dr. Henry Schenck, Institutional Advancement Committee Faculty Representative; Dr. Christian Dagg, Property and Facilities Committee Faculty Representative; Dr. Oladiran Fasina, Student Affairs Faculty Representative; Dr. Scott Lane, Finance Committee Faculty Representative; Mr. Clint Lovelace, Chair of the Auburn University Administrative & Professional Assembly; Ms. Kimberly McCadden, Chair-Elect of the Auburn University Staff Council; Dr. Vanessa Funches, President of the AUM Faculty Senate; Mr. Stephen Bray, Vice President of the AUM Staff Council; Ms. Cheryl Casey, Chair of the Auburn University Foundation Board of Directors; Ms. Regenia Sanders, President of the Auburn Alumni Association; and Ms. Makeda Nurradin, President of the Graduate Student Council.

President Pro Tempore Dumas indicated that copies of *Auburn: A History in Street Names*, authored by Sam Hendrix, were placed at each board member’s seat. He explained that the book provides a comprehensive history of the city of Auburn, and that all proceeds from book sales will fund an endowment to provide academic camp scholarships for Auburn Youth Programs. President Pro Tempore Dumas thanked Mr. Hendrix for his work and service to Auburn University and to the city of Auburn.

The Board then met in various committees, each discussing the items which would later appear on the Reconvened Board Meeting Agenda, as follows:
Chairperson DeMaioribus convened a meeting of the Property and Facilities Committee of the Auburn University Board of Trustees on Friday, September 16, 2022 at 9:35 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson DeMaioribus called upon Mr. King for discussion of the following Property and Facilities Committee agenda items:

1. **Kreher Preserve and Nature Center – New Environment Education Building, Final Project Approval**

   Mr. King stated that the Kreher Preserve and Nature Center – New Environmental Education Building project will provide a new educational facility for pre-school children. He stated that the project will construct indoor and outdoor instructional space to support and expand the research and outreach programs held at the center.

   Mr. King indicated that the estimated total project cost is $1.95 million, to be financed by a combination of State of Alabama appropriations and College of Forestry, Wildlife and Environment funds.

   Mr. King stated that the request before the Board of Trustees is to adopt a resolution providing final approval of the Kreher Preserve and Nature Center – New Environmental Education Building project.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Sanford. The motion was seconded by Mr. W. Smith, and the committee approved the motion by a voice vote.

2. **Renovation of Space for the School of Kinesiology’s Doctor of Physical Therapy Program, Approval of Project Architect Selection**

   Mr. King then stated that the School of Kinesiology has proposed a project to renovate space in the Student Activity Center to implement the Doctor of Physical Therapy Program. He explained that the renovation will provide instructional space, a research laboratory, offices, and other support spaces to enable to School of Kinesiology to commence the new program.

   Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the selection of Cooper Gary of Atlanta, Georgia as the project architect.
A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Sahlie. The motion was seconded by Mr. Harbert, and the committee approved the motion by a voice vote.

3. **Auburn University Regional Airport, Approval of General Consultant Selection**

Mr. King then reported that the Federal Aviation Administration (FAA) and the State of Alabama Aeronautics Bureau require the Auburn University Regional Airport to engage in a general consultant who will perform certain airport planning, engineering, and administrative services.

Mr. King commented that consistent with FAA and Aeronautics Bureau guidelines, a Request for Qualifications for an airport General Consultant was advertised in July 2022. He stated that seven firms submitted their qualifications, and four firms were interviewed by the General Consultant Selection Committee. He reported that the committee determined that retaining the firm, Barge Design Solutions, Inc. of Dothan, Alabama, as the airport General Consultant is in the best interest of the university, the airport, and the community.

Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the engagement of Barge Design Solutions, Inc. of Dothan, Alabama, as the airport General Consultant.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Pratt. The motion was seconded by Ms. Huntley, and the committee approved the motion by a voice vote.

4. **Auburn University Regional Airport – Runway Safety Area Extension, Approval of Project Initiation and Project Engineer Selection**

Mr. King then reported that since 1939, Auburn University has owned and operated the Auburn University Regional Airport and has periodically expanded and made improvements with support and grants from the Federal Aviation Administration (FAA) and the Alabama Department of Transportation Aeronautics Bureau. He stated that the FAA has recently advised the Auburn University Regional Airport that the current safety area of the northern end of Runway 18-36 must be extended for the Airport to continue to grow its volume of operations.

Mr. King explained that to facilitate a more timely and efficient design process, the University Architect recommends the approval of the airport General Consultant, Barge Design Solutions, Inc. of Dothan, Alabama, as the engineer for the project.

Mr. King indicated that it is anticipated that this project would be financed by grant funds via FAA and local funds from the City of Auburn and the City of Opelika.
Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the initiation of the Airport Runway Safety Area Extension project and the selection of Barge Design Solutions, Inc. of Dothan, Alabama, as the project engineering.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Pratt. The motion was seconded by Mr. Roberts and the committee approved the motion by a voice vote.

5. **College of Architecture, Design and Construction Research Commons, Approval of Project Initiation and Project Architect Selection**

Mr. King then reported that the College of Architecture, Design and Construction (CADC) has proposed a project to renovate and complete a tenant fit-out of the Research and Innovation Center in the Auburn Research Park. He explained that the CADC Research Commons project will complete a tenant fit-out of 8,000 square feet of the Research and Innovation Center to provide research support and administration spaces and will renovate 4,000 square feet of the supporting building to convert it to a fabrication and research shop.

Mr. King stated that to facilitate a more timely and efficient design process, the University Architect recommends the approval of the firm, Goodwyn Mills Cawood of Birmingham, Alabama as the project architect. He commented that Goodwyn Mills Cawood was the architect of the recently completed Research and Innovation Center and that the firm’s experience as the original project architect will be valuable in the design of this project.

Mr. King stated that it is anticipated that the facility would be financed by CADC reserves.

Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the initiation of the CADC Research Commons project and the selection of the firm, Goodwyn Mills Cawood of Birmingham, Alabama, as the project architect.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Pratt. The motion was seconded by Mr. Sanford, and the committee approved the motion by a voice vote.

6. **Gulf Coast Engineering Research Station – New Building, Approval of Project Initiation and Authorization to Commence the Project Architect Selection Process**

Mr. King then reported that the Samuel Ginn College of Engineering has proposed the construction of a new building, within the City of Orange Beach, Alabama that will provide laboratory, office, and collaborative spaces for the research of coastal environments and communities of the Gulf Coast and will provide Auburn University with opportunities for collaboration with other Marine Environmental Sciences Consortium institutions.
Mr. King stated that it is anticipated that the project would be financed by funds from the RESTORE Council in cooperation with the State of Alabama Department of Conservation and Natural Resources.

Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the initiation of the Gulf Coast Engineering Research Station – New Building project and to authorize the commencement of the architect selection process.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Rane. The motion was seconded by Mr. Pratt, and the committee approved the motion by a voice vote.

7. **Lowder Hall Advising Suite Renovation, Approval of Project Initiation and Authorization to Commence the Project Architect Selection Process**

Mr. King then reported that the Harbert College of Business has proposed the interior renovation of the Lowder Hall Advising Suite that would create an enhanced reception area, additional advising offices, and collaborative spaces to accommodate the growth of student enrollment and improve departmental efficiency. He commented that the project will enable the Office of Student Advising with the college to improve the student-advisor ration and provide students with an accommodating and inviting space.

Mr. King stated that it is anticipated that the project would be financed by the Harbert College of Business.

Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the initiation of the Lowder Hall Advising Suite Renovation project and to authorize the commencement of the architect selection process.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Vines. The motion was seconded by Mr. Rane, and the committee approved the motion by a voice vote.

8. **Village Residence Halls Repair and Refurbishment – Phase II: Holloway Residence Hall, Authority to Execute**

Mr. King then reported that the Office of Student Affairs proposed to continue the repair and refurbishment of the Village Residence Community by addressing Holloway Residence Hall with Phase II of the project. He explained that the work to be performed includes replacing flooring, millwork, countertops, mechanical units, and furnishings. He stated that the schedule to refurbish Holloway Hall is to start and complete the work during Summer 2023.

Mr. King stated that it is anticipated that the project would be financed by University Housing.
Mr. King stated that the request before the Board of Trustees is to adopt a resolution authorizing the execution of the Village Residence Halls Repair and Refurbishment – Phase II: Holloway Residence Hall project.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Harbert. The motion was seconded by Mr. Vines, and the committee approved the motion by a voice vote.

9. Alabama Cooperative Extension System – Graham Farm and Nature Center Pavilion, Approval of Conservancy Easement

Mr. King then reported that the Graham Farm and Nature Center Pavilion project is planned to provide a covered patio, kitchen, meeting and outreach spaces, and restrooms to expand the programs provided at the educational farm. He stated that it was anticipated that the facility would be financed by Alabama Cooperative Extension System (ACES) funds; however, funding is potentially available through a grant from the Alabama Department of Economics and Community Affairs (ADECA). He explained that if awarded, Auburn University will be required to sign assurances to comply with all applicable federal and state laws, rules, and regulations; that the property will be maintained for public outdoor recreation in perpetuity, as required by the Land and Water Conservation Fund Act of 1965. He commented that specifically, it would require a Notice of Limitation of Use language to be included in the deed. He explained that the addition of conservancy easement will not unduly burden Auburn University’s property rights because of the existence of a federal Natural Conservancy Easement filed in 2015, which was prior to the property being deeded to the University.

Mr. King stated that the request before the Board of Trustees is to adopt a resolution approving the Conservancy Easement, and to modify and file a revised deed showing the additional conservancy easement affecting the property. He added that all documents shall be approved, subject to form, by legal counsel for Auburn University.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Sahlie. The motion was seconded by Mr. Roberts, and the committee approved the motion by a voice vote.

10. Status Updates – For Information Only

   a. Current Status of New Construction/Renovation/Infrastructure Projects with Budgets of $1,000,000 and Greater

   b. Quarterly Report for Projects Costing More than $500,000 but Less than $1,000,000 – 3rd Quarter, Fiscal Year 2022

   c. Project Status Report
Mr. King shared that this item is included for information only and does not require a vote.

Chairperson DeMaioribus thanked Mr. King for his reports, and with there being no further items, recessed the committee meeting at 10:10 a.m.
Chairperson Huntley convened a meeting of the Academic Affairs Committee of the Auburn University Board of Trustees on Friday, September 16, 2022 at 10:10 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson Huntley called upon Dr. Nathan for discussion of the first and second Academic Affairs Committee agenda items.

1. Proposal to Establish the Center for Natural Resources Management on Military Lands

Dr. Nathan reported that the College of Forestry, Wildlife and Environment requested to create a Center for Natural Resources Management on Military Lands. She indicated that the proposed center would support the college’s agreement with the United States Army to conduct research-based activities to help the Army better manage its lands. Dr. Nathan concluded by stating that, in addition, the center would provide faculty expertise and natural resource management services at one or more of the Army’s eight (8) installations.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Ms. Aderholt. The motion was seconded by Mr. Rane, and the committee approved the motion by a voice vote.

2. Agenda Item for the Board of Trustees – For Information Only

Dr. Nathan then reported the following items of information:

(1) The Harbert College of Business has renamed the Department of Management as the Department of Management and Entrepreneurship to reflect the current breadth of entrepreneurship instruction, research, and outreach programs offered. The revised department name will increase the visibility and impact of its current and future initiatives in the field of entrepreneurship.

(2) The Harbert College of Business has renamed the Department of Systems and Technology to the Department of Business Analytics and Information Systems. The department is no longer home to those academic disciplines that comprised its former name and initiated the change in nomenclature to reflect the current programs offered, including the nationally ranked Business Analytics and Information Systems programs.

Dr. Nathan stated that this item is included for information only and does not require a vote.

Chairperson Huntley thanked Dr. Nathan for her reports and then called upon Dr. Stockton for discussion of the third Academic Affairs Committee agenda item.
3. **Proposed Master of Science in Biochemistry and Molecular Biology at AUM**

Dr. Stockton reported that AUM’s College of Science submitted a proposal to create a Master of Science (M.S.) in Biochemistry and Molecular Biology. He explained that the degree proposal includes thesis and non-thesis options and three concentrations: Biochemistry and Molecular Biology, Biotechnology, and Environmental Science Technology. He shared that the aim is to provide opportunities to Biology and Chemistry graduate students to tailor studies to unique career goals. He stated that the proposed degree program would provide AUM with a comprehensive graduate program and position AUM to be more visible and attract more students desiring an advanced degree focused on biomedical research and biotechnology. He commented that the proposed program would require three (3) additional FTE faculty, as well as biomedical and biochemical research space—which was approved as part of the AUM ADPH building renovation project.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Z. Smith. The motion was seconded by Mr. Sanford, and the committee approved the motion by a voice vote.

Chairperson Huntley thanked Dr. Stockton for his report, and with there being no further items, recessed the committee meeting at 10:15 a.m.
Chairperson Harbert convened a meeting of the Finance Committee of the Auburn University Board of Trustees on Friday, September 16, 2022 at 10:15 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson Harbert called upon Ms. Shomaker for discussion of the Finance Committee agenda items.

1. **Approval of the 2022-2023 Budget**

   Ms. Shomaker discussed the proposed Auburn University budget for the fiscal year beginning October 1, 2022 and ended September 30, 2022.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. W. Smith. The motion was seconded by Mr. Roberts, and the committee approved the motion by a voice vote.

2. **Proposed Tuition and Fees for Fall 2023 for Auburn University and AUM**

   Ms. Shomaker then discussed the proposed tuition and fee rates for Auburn University and AUM for Fall 2023.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. W. Smith. The motion was seconded by Mr. Vines, and the committee approved the motion by a voice vote.

3. **Proposed Housing Rates for Fall 2023 for Auburn University and AUM**

   Ms. Shomaker then discussed the proposed housing rates for Auburn University and AUM for Fall 2023.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Pratt. The motion was seconded by Mr. Sanford, and the committee approved the motion by a voice vote.

   Chairperson Harbert thanked Ms. Shomaker for her reports, and with there being no further items, recessed the committee meeting at 10:30 a.m.
Chairperson W. Smith convened a meeting of the Executive Committee of the Auburn University Board of Trustees on Friday, September 16, 2022 at 10:30 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson W. Smith called upon Gen. Burgess for discussion of the first Executive Committee agenda item.

1. **Addition of Positions to the Managerial Group for the Enablement of Auburn University to Conduct Selected Classified Research Programs**

   Gen. Burgess explained that the Department of Defense (DoD) 5220.22-M “National Industrial Security Program Operating Manual,” section 117.7, paragraph c authorizes the Auburn University Board of Trustees to delegate certain duties and responsibilities related to contracts and grants to a university managerial group. He stated that this authority pertaining to the protection of classified information is delegated to a managerial group within the university. He indicated that the request is to update the list of eligible university positions known as the Managerial Group for Auburn University by adding the following At-Large positions: (1) Facility Security Officer and (2) Chief Research Security Officer.

   Gen. Burgess then explained that, in addition, approval is requested to invoke a “Temporary Exclusion Resolution” pertaining to Dr. Christopher B. Roberts, President, from classified information under classified contracts until such time as the appropriate personnel security clearances are issued.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Rane. The motion was seconded by Mr. DeMaioribus, and the committee approved the motion by a voice vote.

2. **Proposed Awards and Namings**

   Chairperson W. Smith then asked for a motion to move consideration of the second Executive Committee agenda item, a list of proposed awards and namings, to the reconvened meeting.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Rane. The motion was seconded by Mr. DeMaioribus, and the committee approved the motion by a voice vote.

   With there being no further items, Chairperson W. Smith recessed the committee meeting at 10:40 a.m.
President Pro Tempore Dumas then moved to reports from various committee chairpersons and lead trustees as follows:

**Academic Affairs Committee**

Chairperson Huntley began her report by sharing that Auburn’s Aviation program has had an incredibly impactful year, beginning with the War Eagle Flying Team, who, earlier this year, was awarded the industry’s top honors by the National Intercollegiate Flying Association. She also shared that the award is collegiate aviation’s oldest and rarest award and is reserved for the nation’s most outstanding all-around collegiate aviation programs. She added that the program was further recognized this summer when two Auburn students, Maggie Hearn and Elizabeth Moorman, received the Iron Eagle Award for their bravery when they performed an emergency landing without incident on their way to the Air Race Classic competition in Florida. Chairperson Huntley commented, “This kind of national recognition indicates the continued quality, training, and growth for which the School of Aviation has become known.” She stated that the school has fostered this growth by adding innovative programs and resources, including becoming one of the few flight schools with an Airbus 320 simulator and Certified Flight instructors with multiple FAA certifications. She shared that in addition to exceptionally high retention and graduation rates, the school is above the national average for the number of female students at 16-percent, compared to the national average of just six percent.

**Agriculture and Natural Resources Committee**

Chairperson Aderholt began her report by sharing that the College of Agriculture is partnering with the Samuel Ginn College of Engineering to celebrate the 150th anniversary of the colleges’ inceptions. She stated that the year-long celebration begins on Friday, September 23rd.

Chairperson Aderholt then shared that the Alabama Cooperative Extension System (ACES) is part of a multi-agency campaign, “Down to Earth. She explained that mission of the campaign is to educate consumers about sustainable agricultural practices. She indicated that the campaign highlights ACES professionals for excellence in research.

Chairperson Aderholt concluded her report by announcing that the College of Forestry, Wildlife and Environment received $5 million to study a disease afflicting the pine trees in the Southeast. She thanked Senator Richard Shelby and Auburn’s director of federal relations for their efforts in securing the funding.

**Alumni**

Lead Trustee Z. Smith began his report by sharing that the Auburn Alumni Association Board of Directors is holding its annual meeting on Friday, September 23, 2022. He stated that highlights include the celebration of association scholarships, generated by hundreds of dedicated Auburn Clubs and Affiliate volunteers as well as the Association’s Membership Endowment. He announced that 428 scholarships were awarded, totaling over $800,000 for the 2022-2023 Academic Year. Lead Trustee Z. Smith thanked Ms. Regenia Sanders, president of the Alumni Association Board of Directors, for her leadership over the last two years.
Lead Trustee Z. Smith then stated that Association volunteers continue to foster the Auburn spirit by welcoming freshmen and their families to the Auburn Family. He indicated that over the summer, Auburn Clubs and Affiliates hosted 45 events with over 1,500 attendees.

Lead Trustee Z. Smith then announced the recipients of the 2023 Lifetime Achievement and Young Alumni Achievement Awards, as shown below.

2023 Lifetime Achievement Award

Robert E. Lowder ’64
Michael B. McCartney ’57 (Posthumous)
Charles D. McCrary ’73
John Thomas Walter ’55

2023 Young Alumni Achievement Award

Rose G. Belinga ’09

Lead Trustee Z. Smith concluded his report by sharing that recipients will be celebrated on February 25, 2023.

Governmental Affairs Committee

Chairperson Rane began his reporting by sharing an update regarding state governmental affairs.

Chairperson Rane stated that following the midterm elections on November 8th, the Alabama Legislature will see significant changes in makeup with at least 29 new members in the House of Representatives and at least six new members in the Senate.

Chairperson Rane then shared an update regarding federal governmental relations.

Chairperson Rane reported that the United States House of Representatives and Senate Committee on Appropriations released annual funding bills that included funding for university priorities. He thanked Congressman Mike Rogers (AL-03) for his efforts in securing two earmarks for Auburn University totaling $18 million and Senator Richard Shelby for his efforts in securing funding for Auburn University totaling approximately $120 million.

Chairperson Rane concluded his report by stating that Auburn University will host a reception in Washington, D.C. in late September in honor of Senator Shelby in appreciation of his service to the university, the state of Alabama, and the nation.

Institutional Advancement Committee

Chairperson Roberts began his report by stating that the Auburn University Endowment performance continue to excel. He announced that the total endowment is just over $1 billion, with
the potential to reach $1.020 billion by the end of the calendar year. He commented that the endowment’s standing is exceptional under market circumstances and speaks very well of the acumen of the Auburn University Foundation Investment Committee.

Chairperson Roberts then shared that based on current values, the committee anticipates an estimated Auburn University payout on investments of $34 million at the end of the calendar year. He highlighted that this figure provides an increase of $1.7 million over the previous year.

Chairperson Roberts then stated that the Auburn University Foundation closes out its fiscal year on September 30, 2022 and will exceed the $130 million goal by more than $70 million. He announced that the Foundation has set a goal of $165 million for Fiscal Year 2023, representing the largest goal in university history.

Chairperson Roberts concluded his report by thanking the Auburn University Foundation Board of Directors and the entire advancement team for their outstanding efforts.

Research and Technology Committee

Chairperson Sahlie began his report by sharing that the National Institute of General Medical Science, a branch of the National Institutes of Health, recently granted a $1.87 million award to Dr. Panagiotis Mistriotis, assistant professor in the Department of Chemical Engineering, and his research team. He explained that the award will allow the group to further examine fundamental cellular processes to develop novel therapeutic interventions to prevent and treat such health issues as cardiovascular disease, aging, and cancer.

Chairperson Sahlie then announced that the National Institute of Standards and Technology recently awarded Auburn University’s National Center for Additive Manufacturing Excellence and the ASTM Additive Manufacturing Center of Excellence nearly $1 million to establish the framework for the rapid identification of critical defects and the prediction of fatigue performance in 3D-printed materials and parts.

Chairperson Sahlie then shared that an Auburn University research team from the College of Veterinary Medicine and the College of Agriculture recently became the first to map a high-quality genome assembly of the blue catfish. He indicated that the genome, which was published in the journal *GigaScience*, will aid in the genetic enhancement of better catfish breeds for the multimillion-dollar catfish farming industry.

Chairperson Sahlie then reported that a research team in the College of Forestry, Wildlife and Environment received a grant of $450,000 to develop a holistic platform that integrates multiscale observations, machine learning, and systems modeling for coastal monitoring, assessment and prediction of ecosystem health, water resources, and social reliance. He shared that Dr. Shufen “Susan” Pan, associate professor, will lead the team in studying environmental stressors along the Gulf of Mexico. He commented that the project is sponsored by the U.S. Department of the Treasury in cooperation with the State of Alabama Center of Excellence at the Marine Environmental Sciences Consortium/Dolphin Island Sea Lab.
Chairperson Sahlie then announced that Dr. Lauren Beckingham, assistant professor in the Department of Civil and Environmental Engineering, recently received an Early Career Award of nearly $750,000 from the Department of Energy for research into subsurface hydrogen storage—a promising means of large-scale, long term energy storage that could boost renewable energy and reduce atmospheric carbon dioxide emissions.

Chairperson Sahlie then shared that the Mormon History Association recently honored Goodwin-Philpott Professor of Religion Dr. Adam Jortner in the Department of History with its annual Best Book Award for his latest work *No Place for Saints: Mobs and Mormons in Jacksonian America*. He indicated that the book was recognized for excellence in Mormon history scholarship.

Chairperson Sahlie concluded his report by sharing that Auburn University was a sponsor at the most recent BIO Alabama conference, showcasing several of its biotechnology research developments to industry leaders. He indicated that the technologies represented included anti-cancer immunotherapy, engineered bacteria for producing biofuels, gene therapy vectors for the treatment of neurological disease, and more.

*President Pro Tempore* Dumas thanked the committee chairpersons and lead trustees for their reports. He then indicated that the committee meetings and trustee reports were complete.
President Pro Tempore Dumas convened a regular meeting of the Board of Trustees on Friday, September 16, 2022 at 10:50 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After convening the regular meeting, President Pro Tempore Dumas asked General Counsel Hammer if there was any pending litigation that needed to be discussed in an executive session. General Counsel Hammer indicated that there was pending litigation that needed to be discussed in an executive session.

President Pro Tempore Dumas then asked for a motion for the Board to enter an executive session. A motion was received from Mr. Harbert. The motion was seconded by Mr. W. Smith, and the Board approved the motion by a voice vote.

President Pro Tempore Dumas recessed the regular meeting of the Board of Trustees at 10:52 a.m.
President Pro Tempore Dumas reconvened the annual meeting of the Board of Trustees on Friday, September 16, 2022 at 11:40 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

President Pro Tempore Dumas then asked for a motion to adopt the minutes of the June 16, 2022 annual meeting and the July 26, 2022 special called meeting. A motion was received from Mr. Rane. The motion was seconded by Mr. DeMaioribus, and the resolution was approved by a voice vote.

The following resolution was approved:
RESOLUTION

APPROVAL OF MINUTES

WHEREAS, copies of the minutes of the June 17, 2022 annual meeting of the Board of Trustees have been distributed to all members of this Board for review; and

WHEREAS, copies of the minutes of July 26, 2022 special called meeting of the Board of Trustees have been distributed to all members of this Board for review; and

WHEREAS, the members have reviewed the sets of minutes and determined that they constitute a true and correct recitation of the business of the respective meetings.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the minutes of the June 17, 2022 annual meeting and the July 26, 2022 special called meeting of the Board of Trustees are hereby approved as distributed.
Following the approval of the minutes of the June 17, 2022 annual meeting and the July 26, 2022 special called meeting, President Pro Tempore Dumas called upon Dr. Stockton for the AUM Chancellor’s Report.

AUM Chancellor’s Report

Dr. Stockton began his report by introducing AUM’s new athletic director, Mr. Erik Mass. He shared that following a nationwide search yielding 74 applicants, “…and Mr. Mass was the consensus first choice.” He stated that Mr. Mass begin his position on August 8th, bringing more than 18 years of experience in leadership, management, and coaching in collegiate athletics.

Dr. Stockton then reported that AUM received the following recognitions: 30th overall among best public regional universities in the South, 11th among regional institutions in the South as “the most innovative,” 12th among regional institutions in the South for best undergraduate teaching, and 32nd among public regional universities in the South for “Best Colleges for Veterans.”

Dr. Stockton then provided an update regarding the AUM Science Laboratory Facility. He stated that since receiving final approval for the project from the Board in April, AUM bid the project to market. He indicated that the lowest bid received was significantly higher than the estimates. He explained that the increase in cost is due to the economy and inflation. He stated that AUM remains focused on completing the project but will progress at a slower pace than expected.

Dr. Stockton then announced that AUM’s cheerleading team and Curtiss the Warhawk, AUM’s mascot, recently participated in the National Cheerleaders Association competition in Myrtle Beach, South Carolina. He shared that AUM placed third in the Division II – Small Co-Ed Division, earned a bronze bid to camp, and that Curtiss the Warhawk earned All-American recognition among mascots.

Dr. Stockton concluded his report by stating that AUM is part of a new National Science Foundation (NSF) initiative aimed to provide financial assistance to undergraduate students in STEM majors and with a documented disability. He shared that the grant seeks to increase the number of students with disabilities receiving associate and bachelor’s degrees in STEM disciplines.

President Pro Tempore Dumas thanked Dr. Stockton for his report and then called upon Dr. Roberts for the Auburn University President’s Report.

President’s Report

Dr. Roberts began his report by sharing that U.S. News and World Report recently ranked Auburn University 97th nationally among 1,850 private and public universities and 42nd among public universities. He noted that of all SEC schools, only two public universities ranked higher than Auburn.
Dr. Roberts then reported that the Alabama Commission on Higher Education reported that for the sixth year in a row, Auburn is the most popular school for in-state, Alabama undergraduate students. He noted that in August, AL.com published an article with a headline stating, “Auburn extends its lead over Alabama in the battle for in-state students.”

Dr. Roberts then announced that the Harbert College of Business’s graduate Supply Chain Management program ranked 14th in the nation and undergraduate Supply Chain Management program ranked 4th in the nation in a recent report published by Gartner, Inc.

Dr. Roberts then reported that Forbes again named Auburn as one the best places to work in its “2022 America’s Best-in-State Employers” list. He noted that this honor comes on the heels of a June ranking in which Auburn was named the number one university in Forbes magazine’s 2022 list of “America’s Best Employers for New Graduates.” He commented, “These honors continue to illustrate that we have created an environment where people can thrive in their professions while enjoying what they do and where they choose to work.”

Dr. Roberts then shared that for five years, Alabama Public Television has broadcast a quarterly series titled “Spotlight on Agriculture.” He explained that the series showcases the ways Auburn serves Alabama citizens through instructional and research programs that are helping to save lives and change our world for the better. He lauded the College of Agriculture and the College of Veterinary Medicine, noting the colleges’ remarkable research achievements.

Dr. Roberts then discussed two upcoming capital projects. He explained that the cost of construction for the College of Education Building and the STEM + Ag Sciences Complex has increased substantially from previous estimates. He shared that, following much deliberation and thought, the plans will continue at an increased cost stating, “We will fund the higher cost to build the facility we truly need, not a fraction of what is required.” He stated that the plan is to bring the College of Education project to the Board for final approval in November 2022, and to bring the STEM + Ag Sciences Complex project to the Board for final approval in February 2023.

Dr. Roberts concluded his report by passing the microphone to Ms. Huntley for an introduction of Tracy Richard from the Department of Finance.

Ms. Huntley stated the following:

“For those unfamiliar with it, the Department of Finance is home to many of the Harbert College of Business’s most vibrant and distinguished programs, including Auburn’s student chapter of the Financial Management Association (FMA), under the leadership of Tracy Richard.

With an emphasis on ensuring students enter the workforce with practical skills, industry knowledge, and competitive internship experiences, FMA helps place out graduates in some of the nation’s top banking and Fortune 500 firms – including Goldman Sachs, Wells Fargo Securities, SunTrust Robinson Humphries, and Merrill Lynch.”
By connecting students with peers and alumni who share similar goals and career aspirations, the organization prepares students for professional opportunities by helping them build leadership, teamwork, and other critical skills.

In addition to teaching and advising hundreds of students each semester, Tracy is the director of the college’s Integrated Financial Leadership Program. In this role, she develops programs and curricula that support finance students’ preparation, service, and placement, including FMA. Her professional experiences include several corporate investment banking roles, notably as coverage banker for Wells Fargo in their Las Vegas Gaming Division and the Diversified Industries Group for Truist Bank in Nashville.

Evoking a philosophy that the most successful business professionals bring the broadest and most varied perspective to their craft, Tracy has built a national reputation for Auburn’s professional finance program and enabled the college to have some of the most enviable placement rates in the country. As a result, she received the FMA National Outstanding Advisor Award, Auburn University Final Lecture Award, AU Parents Association Faculty Award, Corey Edwards Advisor of the Year Award, and the Harbert College of Business Outstanding Faculty Member, Professional, and Teaching Awards.

Please join me in welcoming Tracy Richard.”

Dr. Richard and FMA student leaders then gave a presentation highlighting the association’s national achievements and notoriety as one of the country’s elite and prestigious chapters.

*President Pro Tempore* Dumas thanked Dr. Roberts and Dr. Richard for their reports and then moved to the action items and committee meeting reports as follows:
Property and Facilities Committee

Chairperson DeMaioribus indicated that the Property and Facilities Committee met earlier and discussed nine action items and one item of information. Chairperson DeMaioribus moved for approval of a consent agenda for the Property and Facilities Committee’s nine action items. The motion was seconded by Mr. Rane, and the resolutions were approved by a voice vote.

The following resolutions were approved in the consent agenda:

RESOLUTION

APPROVAL OF THE 2022-2023 BUDGET

BE IT RESOLVED by the Board of Trustees of Auburn University as follows:

Section 1. The operating budget for Auburn University covering current operating funds and auxiliary funds for the fiscal year beginning October 1, 2022, and ending September 30, 2023, as presented by the President and approved by the Finance Committee of the Board of Trustees, be and the same is hereby approved.

Section 2. Nothing in said budget shall be accepted or construed to be legal obligations or liabilities against Auburn University. The amounts fixed in the components of the budget for the year 2022-2023 shall be understood to be the relative amounts to be paid or expended for those components in relationship to the funds and/or income of the University available for the support and maintenance of the University.

Section 3. The proposed expenditure amounts as set out in the budget are hereby approved and adopted, and the President is authorized and empowered to enact such budget on October 1, 2022. The President is further authorized and empowered to effect routine adjustments to this budget as deemed necessary and appropriate.

Section 4. The Finance Committee of the Board of Trustees is requested and authorized to approve material adjustments in this budget as may be determined necessary and presented by the President.

Section 5. In order to manage the University’s opportunities to refinance its outstanding General Fee Revenue Bonds and thereby reduce the University’s overall debt service obligations as and when possible, the Authorization attached as Exhibit A is hereby approved and adopted as if set forth in full in this resolution.
EXHIBIT A

AUTHORIZATION FOR THE ISSUANCE OF REVENUE REFUNDING BONDS
OF AUBURN UNIVERSITY

[Attached]
EXHIBIT A

AUTHORIZATION FOR THE ISSUANCE
OF REVENUE REFUNDING BONDS OF AUBURN UNIVERSITY

WHEREAS, it is desirable and appropriate for Auburn University (the “University”) to issue its General Fee Revenue Bonds from time to time for the purpose of refunding and paying certain of its prior outstanding bonds and thereby achieving an overall interest rate expense savings to the University; and

WHEREAS, in order to manage the University’s refunding opportunities in the most efficient manner possible and to permit the University to take advantage of changing market conditions, it is desirable and appropriate to authorize the officers of the University to arrange for the issuance of refunding bonds without further approval of the Board of Trustees, subject to the limitations expressed in this authorization.

THEREFORE, by virtue of the Resolution to which this Authorization is attached, the Board of Trustees hereby and thereby authorizes the following:

Section 1. Findings. The following bonds or leases of the University are currently outstanding:

(i) General Fee Revenue Bonds, Series 2012-A and Series 2012-B (Taxable), dated March 27, 2012, issued under the Sixteenth Supplemental General Fee Indenture dated as of March 1, 2012;

(ii) General Fee Revenue Bonds, Series 2015-A, dated March 18, 2015, issued under the Eighteenth Supplemental General Fee Indenture dated as of March 1, 2015;

(iii) General Fee Revenue Bonds, Series 2015-B, dated September 10, 2015, issued under the Nineteenth Supplemental General Fee Indenture dated as of September 1, 2015;

(iv) General Fee Revenue Bonds, Series 2016-A, dated August 17, 2016, issued under the Twentieth Supplemental General Fee Indenture dated as of August 1, 2016;

(v) General Fee Revenue Bonds, Series 2018-A dated June 21, 2018, issued under the Twenty-First Supplemental General Fee Indenture dated as of June 1, 2018;
(vi) General Fee Revenue Refunding Bonds, Series 2020-A, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(vii) Taxable General Fee Revenue Refunding Bonds, Series 2020-B, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(viii) Taxable General Fee Revenue Bonds, Series 2020-C, dated July 29, 2020, issued under the Twenty-Third Supplemental General Fee Indenture dated as of July 1, 2020;

(ix) General Fee Revenue Bond, Series 2021-A, dated May 5, 2021, issued under the Twenty-Fourth Supplemental General Fee Indenture dated as of May 1, 2021;

(x) Taxable General Fee Revenue Refunding Bond, Series 2022-A, dated April 29, 2022, issued under the Twenty-Fifth Supplemental General Fee Indenture dated as of April 1, 2022; and

(xi) Lease Revenue Bonds, Series 2017 (Auburn University Educational Complex Gulf Shores Project).

The bonds described in (i) – (xi) above are herein referred to as the “Outstanding Bonds.”

Section 2. Authorization of Bonds. The University is hereby authorized to issue its revenue bonds for the purpose of refunding any or all of the Outstanding Bonds. The said bonds shall be issued under the terms, conditions and provisions set out in the General Fee Revenue Trust Indenture dated as of June 1, 1985 between the University and The Bank of New York Mellon Trust Company, N.A., as successor trustee (herein called the “Trustee”), as heretofore supplemented, and as further supplemented by the Supplemental General Fee Revenue Indentures (the “Supplemental General Fee Indentures”) provided for in Section 6 of this authorization (the original General Fee Revenue Trust Indenture, as so supplemented being herein referred to as the “General Fee Revenue Indenture”). The bonds herein authorized (the “Bonds”) may be issued at such time or times and in such series as may be most advantageous to the University, subject to the provisions of Section 12 of this authorization. The Outstanding Bonds to be refunded by the Bonds are hereinafter referred to as the “Refunded Bonds.”

All the provisions of the General Fee Revenue Indenture, as applicable to the Bonds, are hereby adopted as a part of this authorization as if set out at length herein.

Section 3. Bonds to be Issued as Additional Parity Bonds; Special Findings. The Bonds shall be issued as additional parity bonds under Article VIII of the General Fee Revenue Indenture.
In accordance with the provisions of Section 8.2(b) of the General Fee Revenue Indenture, the Board hereby finds and declares as follows:

(a) The University is not now in default under the General Fee Revenue Indenture and no such default is imminent.

(b) Bonds the interest on which is excludable from gross income for purposes of federal income taxation shall be designated “General Fee Revenue Refunding Bonds, Series ____”. If it is necessary and appropriate to issue a portion of the Bonds as bonds the interest on which is taxable for purposes of federal income taxation, such bonds shall be designated “Taxable General Fee Revenue Refunding Bonds, Series ____”. The series designation shall be completed to reflect the calendar year in which the Bonds are issued and to provide any further identification of the Bonds as is appropriate.

(c) The persons to whom the Bonds are to be delivered are set forth in Sections 7 and 9 hereof.

(d) All of the Bonds are to be issued by sale in accordance with Section 7 hereof.

(e) The sale price of the Bonds shall be as set forth in Sections 7 and 12 hereof.

(f) The only parity bonds that have previously been issued by the University under the General Fee Revenue Indenture and that are currently outstanding are those bonds listed in (i) – (xi) of Section 1 above along with the supplemental indentures under which they were issued.

(g) The Refunded Bonds are to be refunded from proceeds of the Bonds, subject to the determinations and conditions set forth in Sections 11 and 12 hereof.

The Trustee is hereby requested to authenticate and deliver the Bonds to the purchaser specified in Section 7 hereof upon payment of the purchase price designated therein.

Section 4. Source of Payment of the Bonds. The principal of and the interest on the Bonds shall be payable from (i) the gross revenues from those general tuition fees levied against students at the Auburn, Alabama campus and the Montgomery, Alabama campus of the University that are more particularly described and referred to as “General Fees” in the General Fee Indenture; (ii) the gross revenues derived by the University from the operation of its housing and dining facilities located on the Auburn campus and on the Montgomery campus that are more particularly described and referred to as “Housing and Dining Revenues” in the General Fee Indenture; (iii) the gross revenues derived by the University from the operation of its athletics programs that are more particularly described and referred to as “Athletic Fee Revenues” in the General Fee Indenture; and (iv) the several student fees levied against students
at the Auburn campus and the Montgomery campus that are more particularly described and referred to as the “Pledged Student Fees” in the General Fee Indenture. The said General Fees, Housing and Dining Revenues, Athletic Fee Revenues, and Pledged Student Fees are referred to herein as the “Pledged Revenues.”

Nothing contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, or in the supplemental indentures hereinafter authorized shall be deemed to impose any obligations on the University to pay the principal of or the interest on the Bonds except from the Pledged Revenues. Neither the Bonds, nor the pledge or any agreement contained in the General Fee Revenue Indenture, in any supplemental indenture or in this authorization shall be or constitute an obligation of any nature whatsoever of the State of Alabama, and neither the Bonds nor any obligation arising from the aforesaid pledge or agreements shall be payable out of any moneys appropriated to the University by the State of Alabama. The agreements, covenants or representations contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, and in any supplemental indenture do not and shall never constitute or give rise to any personal or pecuniary liability or charge against the general credit of the University, and in the event of a breach of any such agreement, covenant or representation, no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the University shall arise therefrom. Nothing contained in this section shall, however, relieve the University from the observance and performance of the several covenants and agreements on its part herein contained.

Section 5. Bonds Payable at Par. All remittances of principal of and interest on the Bonds to the holders thereof shall be made at par without any deduction for exchange or other costs, fees or expenses. The bank or banks at which the Bonds shall at any time be payable shall be considered by acceptance of their duties hereunder to have agreed that they will make or cause to be made remittances of principal of and interest on the Bonds, out of the moneys provided for that purpose, in bankable funds at par without any deduction for exchange or other cost, fees or expenses. The University will pay to such bank or banks all reasonable charges made and expenses incurred by them in making such remittances in bankable funds at par.

Section 6. Authorization of Supplemental Indentures. The Board does hereby authorize and direct the President of the University to approve, execute and deliver, for and in the name and behalf of the University, to the Trustee, a Supplemental General Fee Revenue Indenture with respect to each series of the Bonds, and does hereby authorize and direct the Secretary of the Board to affix the official seal of the University to said Supplemental General Fee Revenue Indenture and to attest the same.

Section 7. Sale of the Bonds. The Bonds may be sold as an underwritten public sale, or by a private placement with one or more banks or other qualified institutional purchasers, as determined under Section 12 hereof. If the Bonds are sold through an underwritten public sale, the Board does hereby authorize and direct the President of the University or the Vice-President for Business & Finance and CFO of the University to approve, execute and deliver, for and in the name and behalf of the University, one or more Bond Purchase Agreements with respect to each series of Bonds between the University and an underwriter or underwriters (the “Underwriter”) approved under Section 12 of this authorization. If the Bonds are sold by private placement, the
Board does hereby authorize and direct the President of the University or the Vice-President for Business & Finance and CFO of the University to approve, execute and deliver, for and in the name and behalf of the University, a Placement Agreement or similar document with the purchaser(s) of the Bonds approved under Section 12 of this resolution.

**Section 8. Authorization of Official Statements.** The Board does hereby authorize and direct the Underwriter and/or Professionals designated under Section 14 of this authorization to prepare and distribute, for and in the name and on behalf of the University, a Preliminary Official Statement and a final Official Statement with respect to each series of Bonds issued under this authorization. The Board does hereby further authorize and direct the President or the Vice President for Business & Finance and CFO of the University to execute and deliver, for and on behalf of the University, such final Official Statement(s) and does hereby declare that the Official Statement(s) so executed by the President or the Vice President for Business & Finance and CFO of the University shall be the Official Statement(s) of the University with respect to the Bonds covered by such Official Statement(s).

**Section 9. Execution and Delivery of Bonds.** The Board does hereby authorize and direct the President of the University to execute the Bonds, in the name and on behalf of the University, by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, and does hereby authorize and direct the Secretary of the Board to cause the official seal (or a facsimile thereof) of the University to be applied or imprinted on the Bonds and to attest the same by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, all in the manner provided in the General Fee Revenue Indenture. The President of the University is hereby further authorized and directed to deliver the Bonds, subsequent to their execution as provided herein to the Trustee, and to direct the Trustee to authenticate all the Bonds and to deliver them to the Underwriter, upon payment to the University of the purchase price therefor in accordance with the provisions of Sections 7 and 12 hereof.

**Section 10. Application of Proceeds.** The entire proceeds derived by the University from the sale of the Bonds shall be paid to the Trustee under the General Fee Revenue Indenture. The Trustee is thereupon authorized and directed to apply and disburse such moneys for the purposes and in the order specified in the Supplemental General Fee Indentures.

**Section 11. Redemption of Refunded Bonds; Authorization of Escrow Trust Agreement.** Any series of Outstanding Bonds to be refunded by the Bonds or any series of the Bonds shall be called for redemption on the first date permitted for the call and redemption of such Outstanding Bonds subsequent to the date of issuance of the Bonds, at and for a redemption price equal to 100% of the principal amount of each bond so redeemed, plus accrued interest. The President and the Vice President for Business & Finance and CFO of the University are separately authorized to direct the Trustee to mail and/or publish notice of such redemption as required under the terms of the General Fee Revenue Indenture. Any such redemption notice mailed or published prior to the date of issuance of the Bonds shall provide that the call of the affected Refunded Bonds for redemption is contingent upon the issuance and sale of the Bonds.

Pursuant to Section 6.1(a) of the General Fee Revenue Indenture, the Board hereby confirms that the University is not in default under said indenture.
The President of the University is hereby authorized to approve, execute and deliver in the name and on behalf of the University an Escrow Trust Agreement or Agreements, between the University and the Trustee, if necessary or desirable, with respect to each series of Refunded Bonds to provide for the escrow and investment of proceeds of the Bonds until the redemption date of the Refunded Bonds.

Section 12. Authorization to Approve Certain Matters. The Board has determined that it is in the best interest of the University to authorize the issuance of the Bonds for the purposes described in this authorization and subject to the limitations of this authorization without a further meeting or approval of the Board. The Vice President for Business & Finance and CFO of the University and the Chairman of the Finance Committee of the Board are hereby authorized:

(a) to determine when and if any Bonds shall be issued and to approve the schedule of issuance for each series of Bonds; provided that no Bonds shall be issued under the authority of this authorization after December 31, 2023;

(b) to approve the principal amount of the Bonds to be issued in each series and the designation of the Bonds as tax-exempt or taxable Bonds; provided that the aggregate principal amount of each series of Bonds shall not exceed the amount necessary to pay the principal and interest on the Refunded Bonds (taking into account any original issue premium or discount) and the costs of issuing the Bonds;

(c) to determine which of the Refunded Bonds are to be refunded and redeemed by the Bonds; provided that any such refunding shall result in a minimum net present value savings of at least 3%; provided, further, that if the University enters into a forward delivery agreement providing the University an option to refund the Bonds (issued as taxable bonds) with a subsequent issue of tax-exempt bonds, the savings achieved may be calculated by assuming the University will exercise the option to refund the Bonds with the tax-exempt bonds provided for in the forward delivery agreement;

(d) to determine whether the Bonds are to be sold to the public or are to be privately placed with one or more banks or other institutions, and the terms of either form of sale;

(e) to approve the forms of Supplemental General Fee Indenture(s), Bond Purchase Contract(s) (if the Bonds are sold to the public), Placement Agreement (if the Bonds are privately placed with a bank or financial institution), Preliminary Official Statement(s), Official Statement(s), Forward Delivery Agreement(s) and Escrow Agreement(s) to be delivered in connection with each series of Bonds;

(f) to approve the final form and pricing details of each series of Bonds, including the interest rates to be borne by such Bonds, the principal
maturities thereof and any original issue discount or premium with respect to the Bonds; provided that the net interest cost of any series of Bonds shall not exceed 6%;

(g) to approve the expenses of issuing the Bonds; and

(h) to take such other steps and to execute and approve such other documents as may be necessary or appropriate to cause the Bonds to be issued, sold and delivered consistent with the provisions of this authorization and the General Fee Revenue Indenture.

The final approval by the Vice President for Business & Finance and CFO of the University and the Chairman of the Finance Committee of the Board of the items listed above may be conclusively evidenced by a certificate signed by each of them and delivered at the time of issuance of the Bonds.

**Section 13. Severability.** The various provisions of this authorization are hereby declared to be severable. If any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this authorization.

**Section 14. Designation of Professionals.** The retention of PFM Financial Advisors LLC as financial advisor to the University, and the law firm of Balch & Bingham LLP as bond counsel to the University for the issuance of the Bonds are hereby authorized.

**Section 15. General Authorization.** The President of the University, Vice President for Business & Finance and CFO of the University and the Secretary of the Board are hereby authorized to execute such further certifications or other documents and to take such other action as any of them may deem appropriate or necessary for the consummation of the matters covered by this authorization, to the end that the Bonds may be executed and delivered at the times and on the terms most advantageous to the University.
RESOLUTION

PROPOSED TUITION AND FEES FOR FALL 2023
FOR AUBURN UNIVERSITY AND AUBURN UNIVERSITY AT MONTGOMERY

WHEREAS, student tuition and fees are the primary sources of unrestricted revenue for support of University programs and operations; and

WHEREAS, state appropriations are generous but alone are not sufficient to maintain the standards of quality instruction and other activities long associated with Auburn University; and

WHEREAS, one of the University’s institutional goals is to maintain rates consistent with regional averages for peer institutions.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that Christopher B. Roberts, President, or such other person as may be acting as President, be and the same is hereby authorized, with the 2023 Fall Semester, to establish tuition and fee rates for Auburn University as shown in Exhibit A and for Auburn University at Montgomery as shown in Exhibit B.

Executive Committee

Chairperson W. Smith indicated that the Executive Committee met earlier and discussed two action items.

Chairperson W. Smith reported that the first item presented to the Executive Committee was a request for an addition of positions to the managerial group regarding classified research. Chairperson W. Smith moved for approval of the item. The motion was seconded by Mr. Rane, and the resolution was approved by a voice vote.

Chairperson W. Smith reported that the second item presented to the Executive Committee was a list of proposed awards and namings. Chairperson W. Smith moved for approval of the item. The motion was seconded by Mr. Rane, and the resolution was approved by a voice vote.

The following resolutions were approved:
RESOLUTION

ADDITION OF POSITIONS TO THE MANAGERIAL GROUP FOR THE ENABLEMENT OF AUBURN UNIVERSITY TO CONDUCT SELECTED CLASSIFIED RESEARCH PROGRAMS

WHEREAS, at its previous meeting on November 18, 2011, the Board of Trustees adopted a resolution that approved the establishment of a Managerial Group for the enablement of Auburn University to conduct selected classified research programs; and

WHEREAS, the Board of Trustees acknowledges that Auburn University has been conducting classified research since 1971 and that the continuation of such research remains important to Auburn University; and

WHEREAS, only universities and contractors who have been granted a facility security clearance, and those individuals holding appropriate security clearances, are permitted access to classified information; and

WHEREAS, in order for Auburn University to continue to conduct classified research, it is required by the Department of Defense (DoD) to establish a Managerial Group charged with the responsibility for the protection of classified information under classified contracts awarded to Auburn University.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that those persons occupying the following positions among the officers of Auburn University, or such other person as may be acting in such positions, shall be known as the Managerial Group, having the authority and responsibility for the negotiation, execution, and administration of DoD or User Agency contracts, as described in DoD 5220.22-M “National Industrial Security Program Operating Manual” (NISPOM):

1. President;
2. Executive Vice President;
