Welcome to the Class of 2027!

Congratulations! You have been admitted into a nationally ranked institution that will open up a world of possibilities. This information will guide you through the next steps in the enrollment process.

Finalizing Your Admission

To confirm your place at Auburn University, you must complete all of the following by the deadlines given below:

1. Activate your Auburn user account.
   - Visit auburn.edu/activate for instructions to enable your Auburn account. Once your account is activated, you will be able to log in to AU Access. You will also be able to log in to your Auburn email account, which will be the official form of communication from Auburn University. It is important to activate your account first as you will need access to these tools to complete your admission acceptance.

2. Verify we have received an official copy of your high school transcript.
   - Log into your Auburn Admitted Portal at aub.ie/admittedportal to verify we have received an official copy of your high school transcript. You will not be able to submit your enrollment deposit until we have this on file.

3. Submit your $250 enrollment deposit.
   - You must submit your enrollment deposit by the following dates:
     - Summer term – May 1
     - Fall term – May 1
     - Spring term – December 1
   - Your enrollment deposit must be received to register for Camp War Eagle (CWE). Please note that this is different from your housing registration. For off-campus options, please visit offcampushousing.auburn.edu.

4. Register your phone with Duo 2-factor authentication.
   - Register your device with Duo 2-factor authentication, Auburn’s mobile security system by visiting duo.auburn.edu. Students accepted to Auburn will be required to use Duo to access their email, course registration, and to access other Auburn resources from both on- and off-campus. Please remember Duo provides a connection to Auburn resources for the student, so the device registered should be the student’s device — not a parent’s device.

5. Register for Camp War Eagle.
   - Deadline: June 1
   - Your enrollment deposit must be received to register for Camp War Eagle (CWE). Please note that this is different from your housing deposit. CWE registration is expected to open in mid-April.

Orientation

Camp War Eagle (CWE) is Auburn’s orientation program for incoming freshmen and their families. While at CWE, you will connect with other students and learn more about some of the university resources available to you. Students will also meet their CWE counselor, a current Auburn student, who will help them get started and connect with Auburn resources. Your CWE counselor will help prepare them for success. Registration for CWE is expected to open in mid-April for students who have submitted their enrollment deposit. The deadline to register is June 1. For more information, please visit aub.ie/cwe.

SPRING TERM FRESHMEN

Information about orientation, advising and class registration will be shared at a later date.

Scholarship and Financial Aid

SCHOLARSHIPS

Following acceptance, first-year students must complete the scholarship application through the Auburn University Scholarship Opportunity Manager (AUSOM) on February 1 for general and departmental scholarship consideration. First-year students are not required to submit the enrollment deposit to apply for scholarships and are only required to complete the scholarship application once each academic year. To complete the scholarship application and search for scholarships, visit AUSOM on Admitted Students or My Finances in AU Access. A scholarship application is not required for consideration of competitive merit scholarships or select need-based scholarships.

First-year student scholarships are awarded competitively for two years among eligible incoming students who enroll summer or fall immediately following high school graduation. Competitive merit scholarships require a minimum GPA and test score for consideration.

To receive consideration for need-based scholarships, students should complete the Free Application for Federal Student Aid (FAFSA)*, available October 1 at studentaid.gov/fafsa. Need-based scholarships will be awarded to incoming freshmen in early March. Students selected for FAFSA verification will be eligible for financial aid, including need-based scholarships, if that process is incomplete. The FAFSA, and other requirements, if necessary, should be received by February 1 for consideration of all need-based scholarships. Visit auburn.edu/scholarship for more information on scholarships and AUSOM.

FINANCIAL AID

More than 60% of all Auburn students receive some type of financial assistance. Students interested in receiving financial aid should complete the FAFSA*, available October 1 at studentaid.gov/fafsa.

Medical Form

A medical information form must be submitted online prior to your enrollment at Auburn. Go to auburn.edu/medicalform to find out more about the medical requirements. If you have questions concerning the form, please call the Auburn Medical Clinic at 334-844-4416.

ZeeMee Community

Join Auburn’s admitted student ZeeMee community at aub.ie/zee to connect with other students in the freshman class of 2027 and to keep up with all things Auburn.

Summer Start

Summer Start is a specially-designed program for incoming freshmen that allows you to take select courses at affordable summer rates. You can become familiar with academic resources, get a head start on classes and meet other students — all while earning credits toward your degree. Go to aub.ie/summerstart for more information.

Summer School

Summer School is required for non-standard admission students because of ACT/ACT score, GPA or ability to meet course prerequisites. Summer School courses are offered in the following sessions:

- Session I: May 24 – June 18
- Session II: June 21 – July 9
- Session III: July 12 – August 3

Non-standard admission students must complete registration and payment for Summer School classes by April 1.

*The FAFSA is the only form a student is required to complete to be considered for all scholarships and financial aid. Some scholarships may require additional applications. Non-scholarship-based financial aid is available to those who qualify. Information on the FAFSA is available at studentaid.gov/fafsa or by calling 1-800-4-FEDS. For more information, please visit auburn.edu/summer.
