

ADR Research Proposals Storage

Accessing Proposal Storage on Spirit

Windows Instructions:

- NOTE: If accessing from off-campus, please connect to AU VPN before following these instructions.
- Open File Explorer
- Type \\cr1.auburn.edu\adr in the address bar of the file explorer.

Mac Instructions:

- NOTE: if accessing from off-campus, please connect to AU VPN before following these instructions.
- Click on the desktop and ensure “Finder” is listed in the upper right-hand corner.
- Click the “Go” Menu and choose “Connect to Server...” or use CMD + K keyboard shortcut.
- In the Server Address type in “smb://cr1.auburn.edu/adr” and click the “+” symbol to save this address for the future use, then click Connect.
- Sign in using your Auburn Username (do not add @auburn.edu) and Password.
