

	Changes	Pitfalls
AMTH	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
BCHM	You must still take 2 HIST and 2 LIT courses. You have increased choice in social sciences combinations if you have not completed 2 social sciences.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
BTNY	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
CHEM	You must still take 2 HIST and 2 LIT courses. You have increased choice in social sciences combinations if you have not completed 2 social sciences.	CHEM BA students MUST either take CHEM 4950 as a CHEM elective OR complete COMM 1000. If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
GEOG	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.

GEOL	You must still take 2 HIST and 2 LIT courses. You have increased choice in social sciences combinations if you have not completed 2 social sciences.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
LABT	You must still take 2 HIST and 2 LIT courses. You have increased choice in social sciences combinations if you have not completed 2 social sciences.	
MARB	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have completed any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken a group 1 and a group 2 social science (as defined in old core) you may force yourself to take an additional course.
MATH	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have completed any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken a group 1 and a group 2 social science (as defined in old core) you may force yourself to take an additional course.
MEDT	You must still take 2 HIST and 2 LIT courses. You have increased choice in social sciences combinations if you have not completed 2 social sciences.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
MCMB (not PRE anything)	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.

MCCM	May complete a sequence in either HIST or LITERATURE. If a HIST sequence is chosen, another Humanities course can be taken instead of LITERATURE 2. You have increased choice in social sciences as well.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course.
PHYS	LITERATURE 2 is no longer required.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course. You will have to take additional free elective hours to make up for the LITERATURE 2 hours that are no longer required.
PMED (including BMSC, MCMB, PHYS, ZOOL, if you are on PMED track)	LITERATURE 2 is no longer required. COMP 1000 is no longer required.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course. You will also need to take an additional 3 free elective hours.
PPHR (including BMSC, on the PPHR track)	LITERATURE 2 is no longer required. COMP 1000 is no longer required.	If you have taken any HIST sequence other than World Hist, you need to be careful about your social science choices. In particular, if you have not taken HIST 1010 or 1020 AND a group 1 AND a group 2 social science (as defined in old core) you may force yourself to take an additional course. If you plan to complete a Biomedical Sciences degree you must take COMM 1000 instead of Literature 2. You will also need to take an additional 3 free elective hours.

<p>PPHS (including BMSC, MCMB, PHYS, ZOOL, if you are on PPHS track)</p>	<p>LITERATURE 2 is no longer required.
