Contract Specialist Certificate Program with Externship

Course Code: AU-L-CNRT
Program Duration: 6 Months
Course Contact Hours: 375
Student Tuition: \$3,799

The Contract Specialist

Contract law serves to define the various ways in which different entities enter into an agreement. The function of contracts in a free enterprise economy extend from legal theories that have developed over centuries and covers the evolution and application of common law doctrines and contract process including mutual assent, consideration, reliance, conditions, interpretation of contract language, performance and breach, and remedies. As one of the most prevalent areas of law, contract theory affects all aspects of everyday life from the most simple to the most complex of agreements.

The Contract Specialist Program

From basic consideration principles of common law through the more detailed and intuitive conclusions of the Uniform Commercial Code (UCC), this program will examine the elements of a valid contract and the process for agreement as well as the different remedies available for breach of contract. For those students looking toward law school or who are interested in the paralegal profession, this program offers an incredibly useful and realistic look into the actual work that lawyers and legal professionals do every day. This program provides students with a general overview and understanding of the elements of a contractual relationship/agreement, the applicable laws related to contract negotiations and terms, and the remedies available if the agreement is breached.

Education and National Certifications

- Students should have or be pursuing a high school diploma or GED.
- There are no state approval and/or state requirements associated with this program.
